

Purdue Cooperative Housing

Alumni! Help Spread the Word to Incoming Potential New Members (Formal Recruitment is January 21 and 27)

The Good Years

Remember college life in a cooperative house? There are so many memories you can't forget like new membership, tailgating, philanthropy events, and much more! We have embraced the same traditions to this day. Help us to spread the word and tell your family and friends to join our community and traditions!

What We Do

- ❖ Philanthropies
- ❖ Service Trips
- ❖ Community Building
- ❖ Social Events
- ❖ Intramural Sports
- ❖ Talent Show
- ❖ Leadership Development
- ❖ Brotherhood/Sisterhood

What Makes Us Unique

The cooperative community has 12 houses, 7 women and 5 men. Most cooperative houses do not have any national affiliations. House management revolves around its members to do all our own cooking and cleaning. As a result, cooperative houses are very affordable and economical. They also provide an excellent environment to grow and learn together.

Registration is now open!
