What is BA?

We are a USA Swimming, year-round, competitive swim club in the Greater Lafayette, IN area. With over 200 current swimmers/members, we are a professionally coached team that is focused on:

- Developing swimmers from ages 5-18 and helping them reach their age group, senior, and national goals.
- A fun environment for youth to learn, improve, and succeed at the life long skill of swimming.
- To teach many positive life skills including: competitiveness, teamwork, responsibility, and goal setting.

*Scholarships available, price depends on group placement.

Program Highlights:

- Boilermaker Aquatics is in its 16th year and is the longest running swim club in the area.
- BA provides over **150** years of combined coaching experience, including a dedicated, full-time Head Coach and NCAA Division I swim coaches.
- BA has a proven success rate with 65% of current swimmers who are championship qualified.
- BA also works directly with high school swim programs. HS swimmers that participate in year-round club swim programs have a proven higher success rate than those that don't.

Time Commitment?

The average time commitment for age group swimmers (4-13 years old) is 4 hours each week. (3 practices @ approx 75 mins each)
